

A&E Coala Speech Lists Declaration of Ownership

Important copyright notice (read this carefully!)

A number of speech lists, audio-files, wave-files, etc are copyright protected. It is illegal to copy or distribute such material or to use illegal copies of such material. Legal copies, however, may be played with any soundplayer, such as A&E. You can upload any of your sound files into A&E for later use in its speech audiometric module.

Only if and when you have a legal copy of sound material, Otoconsult is willing, out of courtesy and free of charge, to facilitate its upload into A&E by wrapping it into an 'extension file' that can be uploaded into A&E with one button-click. By signing this declaration, you explicitly request Otoconsult to provide this service and to accept full responsibility and liability for having a legal version of the speech sounds.

I hereby confirm to be the owner or license holder of a legitimate copy of the following speech audiometry material:

English - Australia

- AuSTIN, female voice
- CNC – Australia, female voice

By signing I accept full liability and confirm that under no circumstance Otoconsult can be held responsible for any violation of copyrights. Should Otoconsult be held liable by the legal copyright holder of the above material, for copyright infringements based on the service requested above, I shall indemnify Otoconsult against all costs, expenses, claims, loss or damage incurred or suffered by Otoconsult.
